

Signing Up for Race Committee for LCSA

Go to the BBSA website and log in with your member ID and password.

<https://broadbaysailing.org/>

Once logged in, go to the LCSA calendar by navigating through the menus to Little Creek Sailing Association and the Calendar or go to:

<https://broadbaysailing.org/LCSACalendar>

Look through the calendar for an available date. The example below shows two of the race nights events. Note that the first says "Registration is closed". The means someone else has already signed up for RC on that night.

If you see the dark blue Register button then that race night still needs an RC skipper and boat. Find the date you want and just register. Only one skipper can register per night.

LCSA Wednesday Night Race

When **Wednesday, July 08, 2020**
6:30 PM - 8:30 PM

Location Just north of Little Creek jetty

Registered 1 registrant

Registration is closed

Series 3 of Little Creek Sailing Association Wednesday night races.

Only the RC skipper should register here to sign up for RC duty. You can cancel the registration if your schedule changes. Please notify the LCSA Coordinator, Andy Spittler, if you need to change your RC duty date.
