

Fellow sailors,

Mother Nature has decided to trump King Neptune and so Neptune's Atlantic Regatta has been cancelled. ☹ We will be returning all entry fees.

We have a plan to salvage what we can by still meeting at the Raven Restaurant for the free party/skippers' social and get your coveted Neptune T-shirts. Come and show your support to Ricky and Bobby Dunnington for their service to our country and their continued sponsorship of this regatta.

We have a special contest that will determine who wins the First-to-Finish silver plate. You won't want to miss this historic event.

If you want your check returned to you, you may pick it up at The Raven. If not, I will tear them up.

Raven Restaurant - 6:30 pm
